

The Impact of GUITARS ANTIQUA MP

a nonprofit music education program

Tuition-free

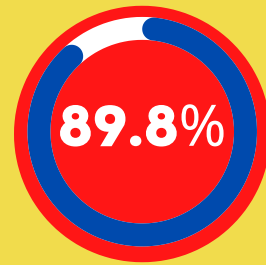

Since its pilot program in 2017, we have been offering students free after-school guitar lessons in a group setting.

Program

Classical Guitar Music Program for children, age's ranging from 8-14

Community Served

Lawndale, CA and its vicinity.
Part of the greater Los Angeles County.

89.8% of our student population is considered socioeconomically disadvantaged and the entire school population qualifies for free lunch. Almost half the school population falls under the English Language Learner category.

OUR COMMITMENT

34 WEEKS
of after-school instruction

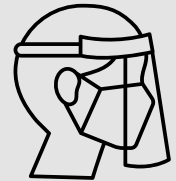

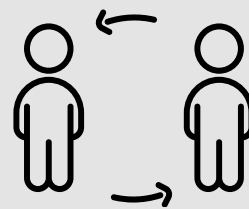

320 + HOURS
of free lessons every program year

6-7 WEEKS
of summer session for continuous learning

COVID-19 RESPONSE

During the COVID-19 health crisis we took and continue to practice all precautionary measures to secure the safety of our students. We invested in all necessary PPE in our classroom to ensure a safe and welcoming learning environment.
